Schedule B-II — Exceptions from Coverage

Some historical land records contain Discriminatory Covenants that are illegal and unenforceable. This Commitment treats any Discriminatory Covenant as rewritten to remove illegal language. This Commitment does not republish any terms of any document referred to below except to the extent that the document creates a defect, lien, encumbrance, or other matter identified in an Exception.

The Policy will not insure against loss or damage resulting from the following matters unless they are cleared to the satisfaction of the Company:

1. Any defect, lien, encumbrance, adverse claim, or other matter that appears for the first time in the Public Records, or is created, attaches, or is disclosed, between the Commitment Date and the date on which all of the Schedule B-I Requirements are met.

2. Rights or claims of parties in possession not shown by the Public Records.

3. Easements, or claims of easements, not shown by the Public Records.

4. Any encroachment, encumbrance, violation, variation, or adverse circumstance affecting the Title that would be disclosed by an accurate and complete land survey of the Land.

5. Any lien, or right to a lien, for services, labor, or material furnished, imposed by law and not shown by the Public Records.

6. Taxes and assessments not yet due and payable, and any tax, special assessment, charge, or lien imposed after the Commitment Date.

7. Water rights, claims, or title to water, whether or not of record.

8. **Covenants, conditions, and restrictions contained in the Declaration of Covenants recorded June 4, 1987 at Reception No. 198712441** (the "1987 Declaration"), including without limitation the following restrictions, which remain of record and have not been released or amended by any instrument found in the issuing office search:

   (a) **Height restriction.** No building or structure shall be erected on the Land which exceeds three (3) stories or thirty-six (36) feet in height, whichever is less, measured from finished grade as it existed on the date of the 1987 Declaration.

   (b) **Industrial and heavy-commercial restriction.** The Land shall not be used for any industrial, manufacturing, or heavy commercial purpose, nor for any use that is or may become a nuisance, annoyance, or disturbance to

neighboring owners or occupants.

(c) **Drive-through restaurant restriction.** The Land shall not be used as a drive-through restaurant or for any drive-through window that serves food or beverages to customers in vehicles.

9. **A twenty-foot (20') wide storm drainage easement** as dedicated on the plat of Becker Station Subdivision (Plat Book 12, Page 64), running northeasterly to southwesterly across Lot 7 and crossing the principal buildable area of the Land. The owner of the Land must permit access for construction, maintenance, and repair of storm-drainage facilities within the easement, and may not construct permanent buildings within the easement limits.

10. A non-exclusive easement for ingress and egress over the private drive known as Becker Station Lane, as shown on the plat of Becker Station Subdivision, for the benefit of Lots 5 through 9, Block C.

11. Rights of tenants in possession under unrecorded or separately held leases, including without limitation rights of Mile High Sandwich Co., LLC as tenant of the existing commercial building.

12. **Open building permit.** City of Fairmont Crossing Building Permit BLD-2023-4419, issued November 3, 2023, for interior demolition of the existing commercial building. The Public Records search did not disclose a recorded final inspection or certificate of completion.

Notes and limitations

This Commitment is a fictional short-form instrument prepared for a product exercise. It is not a representation by any title insurer, not a promise to issue a policy, and not an abstract of title. Schedule B-I Requirement 4 (the unreleased First Pioneer Bank Deed of Trust) and Schedule B-II Exceptions 8, 9, and 12 are intentionally planted diligence issues.

Issued solely as a sample by the fictional issuing office of Summit National Title Insurance Company, 100 Hypothetical Plaza, Fairmont Crossing, CO 80991.
